ASX ANNOUNCEMENT

4 October 2018

BEYOND INTERNATIONAL LIMITED (ASX:BYI)

BEYOND D – A LEADER IN VOICE-LED SEARCH

Beyond International Limited (ASX:BYI) is pleased to report the continued rapid growth in the total revenue being generated from 3rd Party Google Assistant projects and associated voice search consulting by Beyond D, its 100% owned subsidiary.

Beyond D is a long term Certified Partner of Google and more recently a preferred partner in beta-testing new releases of the Dialog Flow software which powers Google Assistant.

Beyond D is a leading builder of 3rd Party Google Assistants for larger multi-site clients. In the period June to December 2017, their clients included Dymocks and Officeworks. New clients in 2018 have included JB HiFi, Target, K-Mart, Finder, Woolmark and the Rural Fire Service. This growth is based on Beyond D's leading position in the development of third party assistants on the Google platform.

Total revenue of BeyondD has been growing rapidly throughout calendar year 2018 and is contracted to continue in 2019 with a significantly improved net profit forecast for Beyond D in the 2018-19 financial year. It is too early in the 2018-19 financial year to give meaningful estimates, however the Directors will keep the market informed of progress.

This announcement is made pursuant to Listing Rule 3.1.
